

THE NUTRACEUTICAL APPROACH FOR HEALTHY JOINTS AND CARTILAGE

Healthy, well lubricated cartilage acts as a shock absorber for joints. Cartilage repair and regeneration is a normal function of the body. Cortaflex® HA High Strength Capsules provide amino acids, saccharides and the key active isolates of Chondroitin and Glucosamine, boosted by Hyaluronic Acid.

This combination supports a varied diet and promotes healthy cartilage, joint tissue and fluid.

Each Capsule contains less than 1 calorie of energy, and less than 1 gram of carbohydrates. Sugar and Salt content - Nil.

INGREDIENTS: Mucopolysaccharides - * 64mg (16%),

Less than *4mg (1%) Glucuronic Acid, Proline, Hyaluronic Acid, Glutamic Acid, L-Glutamine, Aspartic Acid, Glycine, in a Cellulose Capsule
*(content per capsule).

Directions: Take only one capsule daily.

If swallowing the capsule is difficult - break open and take contents orally.

If you are taking medication, pregnant or breast feeding, consult your doctor before taking this product.

KEEP OUT OF REACH OF CHILDREN

Store in a cool dry place. Do not use if the foil under the cap is broken or missing.
Best before date shown on the base of the bottle.
